Executive Choice Spectacle

SKU: ES005

Key Features

Has a clear lens

Combines safety with a fashionable look, enhancing user compliance

Equipped with flexible and soft PVC nose pad

Tested at elevated temperatures, resistant to corrosion, resistant to ignition and optically tested

Adjustable temple length within a range of 14mm to customize the fit on the user's head

Equipped with specially designed flexible soft nose pad to provide extra comfort

Tested for disinfection and increased robustness

Smoked lens model also provides optimum protection against harmful UV radiation

Certification:

EN 166:2001, EN 167:2001, EN 172:1994+A1:2000 & A2:2001, EN 168:2001, EN 170:2002, IS 8521(Part1):2022, Conforms to ANSI Z 87.1-2010

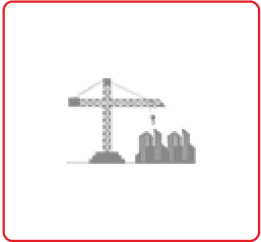

Description

- It is a framed, wrap-around spectacle for all industrial settings where dust/flying particles protection or ultraviolet protection is required.
- It has an adjustable temple length and flexible nose pads. It provides frontal, lateral impact resistance. It is hard-coated for scratch resistance.
- Provides resistance to low impact energy of high speed particles at extremes of temperatures.
- Made with nylon frame and Polycarbonate lens which offers lighter, exceptional impact and splash protection with excellent vision when it comes to fashion and styling, combined with ultimate eye safety, the ES005 becomes an ideal choice for the wearer.
- Hard-coated lens for anti-fog properties which decreases fogging thereby enhancing clarity in vision.
- Smoked lens offers protection from excessive glare and reduces blinding brightness.

- Amber lens is helpful in low light conditions because it makes an environment appear brighter.

Warranty: 1 year from the date of invoice against any manufacturing defects.
